Transform Yourself

WHY US?

With the increasing significance and visible impact of entrepreneurship in wealth creation and employment generation, entrepreneurship has assumed a critical role in India's growth and development. Education, Innovation and Entrepreneurship are the cornerstones of inclusive and sustainablegrowth.

EDUCATIONAL INSTITUTIONS

The academic institutions have started playing a greater role in promoting entrepreneurship. The Government on its part has been motivating the academic Institutions to setup TBIs and Entrepreneurship Development Cells to promote the culture of entrepreneurship among faculty and students. Student level entrepreneurial activities on campus have assumed greater significance with active stakeholder participation..

EXPECTED OUTCOME OF THE PROGRAMME:

With the inputs provided in the programme in the form of Knowledge, information and experience sharing, the participants will be able to develop vision,strategy and structure for Entrepreneurship Development in an Educational Institution and organize Entrepreneurship Awareness Camps and related activities not only in theirinstitutions but also in the irregion.

ABOUT TECHNOLOGY BUSINESS INCUBATOR @ KONGU ENGINEERING COLLEGE

TBI@KEC was established in 2003 at KEC campus by KEC with the support and grant-in-aid from the NSTEDB/DST/GoI. With the motto “Concept to Commercialization”, TBI's prime objective is to nurture start-ups in the emerging Electronics and ICT related technology areas with particular reference to Embedded Systems, Digital Signal Processing, Electronic Card Design, Assembly, Testing and Repair, Multimedia and Wireless Technology. TBI also provides seed fund support to the deserving Incubatees upto Rs.50 lakh per project. Under the PRAYAS Scheme, young innovators are supported for converting their ideas into prototype in duration of 18 months with grant up to Rs.10 Lakh (Max). The scheme can support 5 or more innovators over a period of 5 years. A facility to build prototypes has been established with the fund of Rs.1 crore provided underthe scheme.Utilizing the infrastructure, mentoring and other facilities of TBI, 83 Entrepreneurs/ Innovators have got benefitted and more than 89 products have been designed, developed and launched in themarket.

In recognition ofthe contribution and performance of TBI@KEC, DST/GoI conferred on TBI@KEC got the National Award for Best TBI for the year 2012. The award was presented by Shri Pranab Mukherjee, President of India, on Technology Day 2013 in New Delhi in May 2013.
